

NUISANCE ABATEMENT PETITION

Upon submission of this petition to the Division of Animal Services, an investigation will be conducted into allegations that a public nuisance has resulted from excessive and/or chronic Barking/Leash Law Violations by animals at 470 N. 3rd St., Grover Beach. As part of this investigation, your presence at an administrative hearing may be required.

A minimum of three signatures from adults living at separate residences in the neighborhood of the alleged nuisance is required before Nuisance Abatement proceedings will be initiated.

This petition is part of a public record and a copy may be provided to the animal owner.

Petitioner's Declaration

I hereby declare under penalty of perjury that Barking/Leash Law Violations by the animal(s) kept at 470 N. 3rd St., Grover Beach has(have) substantially disrupted the free use and enjoyment of my property and privacy, or has(have) created an environment which is injurious to my health or which is offensive to the senses.

Re: Nuisance Abatement Inquiry

San Luis Obispo County and each incorporated city within the County have enacted Ordinances whose purpose is to alleviate any public nuisance caused by animals living or kept within any residential area. The Ordinance is as follows:

Abatement of Noise or Nuisance - *Whenever it shall be affirmed in writing by three or more persons living in separate dwelling units in the neighborhood that any dog, cat, animal, poultry, fowl, or household pet is an habitual nuisance by reason of howling, barking, or other noise, or is in any other manner causing undue annoyance, that shall constitute a public nuisance, Animal Services, if it finds such public nuisance to exist, shall serve notice upon the owner or custodian that the public nuisance shall be abated or the animal shall be impounded in a legal manner. If the nuisance and annoyance is not successfully abated, Animal Services shall present the results of the investigation of such nuisance to the officer responsible for prosecution within the jurisdiction wherein such nuisance is being maintained.*

If such a nuisance exists in your neighborhood you, as a resident, have the right to request the initiation of a Nuisance Abatement Inquiry in order to obtain relief. Enclosed, please find a petition form by which such a request can be made. Because the inquiry must be conducted contemporaneously with the alleged nuisance, this petition must be submitted within forty-five (45) days of the date of this notification. Please note: petitions must be signed by a minimum of *three people living in separate dwelling units* located in proximity to the alleged nuisance. Submit petitions to the nuisance abatement officer at the address above.

Upon receipt of the completed petition, the Animal Services Division will initiate a Nuisance Abatement Inquiry which may include an administrative hearing into the alleged nuisance. Please be aware that the animal owner/custodian must be given sufficient notice of an inquiry and it may take up to six weeks for you to receive official notice of the results of this process. Should a hearing be convened, a notice to appear will be issued to you and all petitioners at that time. In the interim, additional complaints related to the alleged nuisance should be documented in writing (including the date, time, description of the animal(s), and the nature of the complaint) and submitted at the hearing.

Sincerely,

ACLO Greg Campbell
Hearing Officer
