## Request for an Exception to the Water Conservation Policy

The purpose of this form is to request an exception to the San Miguelito Mutual Water Company ("SMMWC") Water Conservation Policy contained in Resolution No. 2009-001. Section 8 of Resolution No. 2009-001 contains three grounds for the granting of exceptions to the Water Conservation Policy. If you would like to request an exception, please identify the basis for your request by selecting from the three grounds set forth below and attaching the facts and circumstances substantiating your request. If more than one ground is applicable, please select all that apply. All requests for an exception are subject to the approval of the General Manager, with appeal rights to the SMMWC Board of Directors.

I request an exception for the following reason(s):

- ☐ The restrictions would cause an undue hardship or emergency; or
- ☐ The granting of the exception is necessary to accommodate a documented medical need; or
- ☐ The granting of the exception is in the best interest of the public health, safety and welfare.

Exceptions will be reviewed by the General Manager. The General Manager may impose any conditions he determines to be just and proper. If approved, exceptions will be applied starting with the next billing cycle. An applicant for an exception may appeal the General Manager's decision to the Board of Directors. A request for appeal must be submitted to the SMMWC in writing not more than ten calendar days after the General Manager's decision.

I affirm that I am the account holder for the property listed above and that the information contained herein, including any attachments is complete and accurate. I further understand that all exceptions are subject to review and may change based on SMMWC water conservation requirements.
